Help Enhance Student Life at HKUST!
You GIVE, Students THRIVE

The Alumni Endowment Fund (AEF) is HKUST’s first endowment fund to receive donations mainly from our alumni. The principal of the fund is maintained in perpetuity and only income from its investments will be used. Since the launch of AEF in 2012, the fund has benefitted a number of students through various scholarship schemes, sponsorships on exchange/outreach programs and water sports activities.

We hope that you will play a key role in this splendid initiative!

It has been rewarding to see students devoting their energy and preparing for various tech-related competitions around the world. Through interacting with overseas, Mainland and local student teams in these international competitions, our students open their minds to both technology and soft skills. Your support of AEF will definitely help more students develop their talents!

The creation of AEF marks an important milestone in the history of our alma mater. It makes available a perpetual source to help students to pursue various enrichment programs, which otherwise can’t be financially afforded. Whatever the size of your gift is, it will make a real difference to students’ university life.

Kent HAU

I enjoyed my time at HKUST very much. It is worthwhile now for me to give back. The timing is right with the establishment of the AEF.
We are truly grateful for the continuous guidance and help we have been receiving from HKUST, even after graduation. It gives us great pleasure to give back to HKUST by contributing to AEF and making an impact on students’ lives.

Each alumnus can play a role in supporting the University, regardless of the amount and forms of the contribution. I hope more alumni are inspired to give back to HKUST in the days ahead.

HKUST's strength inspired me to give back to the University. I hope my donation will in turn give more strength to disadvantaged students... and one day, they will be able to give back to HKUST, too!
